MESSAGE

I am pleased to note that the Department of Fertilizers is observing Swachhata Pakhwada 2025 during 1st September 2025 to 15th September 2025 in which numerous activities creating and promoting Swachhata will be undertaken by the Department of Fertilizers and its PSUs.

Swachhata Pakhwada is a nation-wide initiative which reflects the vision of Clean, Green and Sustainable India. The campaign of Swachhata Pakhwada 2025 will play significant role in creating awareness about importance of cleanliness. Besides, it also aims to keep our workplace and environment neat and clean which is necessary for achieving the goal of Swachh Bharat.

I urge all officers and members of the staff to actively participate in the Swachhata Campaign. I also extend my best wishes for a huge success of the events of Swachhata Pakhwada 2025.
